## **Child Care and Development Fund State Plan October 1, 2001 to September 30, 2003**

### **ATTENTION: ALL PARTIES INTERESTED IN CALIFORNIA'S CHILD CARE AND DEVELOPMENT SERVICES**

Every two years, the federal government requires states, territories, and tribes that receive funds through the federal Child Care and Development Fund (CCDF) to prepare and submit a plan detailing how these funds will be allocated and expended. The California Department of Education (CDE) has been designated in State law to be the Lead Agency responsible for administering the CCDF in California and, therefore, is required to submit the CCDF State Plan.

Enclosed is a summary of California's proposed CCDF State Plan ("Plan") that the CDE will submit to the federal government on July 1, 2001. This summary highlights the Plan's major provisions, activities, and services. This proposed Plan is in compliance with current State law and regulations. When new laws are enacted, the Plan will be amended accordingly.

A copy of the complete proposed CCDF State Plan will be available via the Internet beginning the week of April 16, 2001, at the following address:

[http://www.cde.ca.gov/cyfsbranch/child\\_development/plan.htm](http://www.cde.ca.gov/cyfsbranch/child_development/plan.htm)

Individuals who do not have their own access to the Internet should be able to obtain access at most local public library branches throughout California.

## **PUBLIC HEARING PROCESS**

Provision 7(h) of Item 6110-196-0001 of Chapter 52, Statutes of 2000, states:

The State Department of Education shall establish expenditure priorities for the 2001-02 fiscal year that set forth the proposed state and local activities to improve child care, including the reasons therefor, to be undertaken in the 2001-02 fiscal year. This plan shall be submitted in a format developed in consultation with the Department of Finance and shall be submitted to the Department of Finance and to the fiscal committees of both houses at least 30 days prior to the commencement of public hearings on the proposed plan and no later than March 1, 2001.

The State Plan development process is as follows:

- The proposed State and local activities to improve child care (Section 5 of the Plan) were submitted to the Department of Finance on March 1, 2001.
- The complete draft Plan, including the proposed State and local activities to improve child care, will have been posted on the Internet by April 16, 2001.
- Formal public hearings will be conducted in May (see below), and written testimony will be accepted until May 23, 2001, as described in this announcement.

As part of the State Plan preparation process, federal law requires the Lead Agency to convene public hearings to provide an opportunity for the public to comment on the provision of child care services and quality improvement activities under the Plan before it is submitted to the federal Administration for Children and Families. In accordance with these requirements, three public hearings will take place from **3:00 p.m. to 7:00 p.m.** as follows:

<b>Monday, May 14, 2001:</b>	YWCA – Hall, 2 <sup>nd</sup> floor 1515 Webster Street <b>Oakland</b>
<b>Wednesday, May 16, 2001:</b>	Diagnostic Center - Conference Room 1818 West Ashlan Avenue <b>Fresno</b>
<b>Wednesday, May 23, 2001:</b>	State Building – Room 135 6150 Van Nuys Boulevard <b>Van Nuys</b>

If you need directions to any of the public hearings, contact Cecelia Fisher-Dahms at (916) 322-4883.

## **GUIDELINES FOR PUBLIC TESTIMONY WHETHER VERBAL OR WRITTEN**

The focus of the public hearings is exclusively on the draft State Plan, and testimony, both verbal or written, must address its contents only. To assist in preparing testimony, the following guidance clarifies what is to be included.

### ***The public hearing is:***

- An opportunity for individuals and organizations to provide comments on specific items contained in the proposed Plan. Please reference the section number, heading, and page number in each comment.
- An opportunity to indicate support, opposition, suggested changes, additions, or deletions pertaining to specific items. Please offer constructive solutions in your statement.

### ***The public hearing is not***

- A forum to recommend law or regulation changes. These comments should be addressed through the legislative process.
- A forum to discuss any of the proposals currently under discussion in the legislative process or to advocate for any specific proposed legislative bills. These comments should be saved for legislative hearings.
- A forum to discuss how funds are allocated by the State Legislature for child care and development programs. Those concerns should be addressed in legislative budget hearings.
- A forum to describe general problems or concerns about California's child care and development services delivery system. Those concerns should be addressed to the Child Development Division.

All comments or testimony, whether in writing or presented orally at one of the public hearings, must be related to specific items in the proposed Plan. Commenters and testifiers must identify the section number, heading, and page number of the Plan upon which they are commenting. Comments or testimony that do not reference specific sections in the Plan may not be considered or reviewed.

## HEARING AND TESTIMONY TIMEFRAMES

The public hearings will begin promptly at 3:00 p.m. Those persons wishing to testify will be asked to sign in upon arrival and will be called forward to testify in the order of sign-in. Each testifier will have four minutes and thirty seconds to present. Each public hearing will continue until 7:00 p.m. unless all persons wishing to testify have had an opportunity to do so, in which case, the hearing may be closed before 7:00 p.m. Please bring five written copies of your testimony with you to the hearing.

In addition to testimony at the public hearings, written testimony will be accepted, and may be submitted by mail, fax, or e-mail. All written comments **must be received by May 23, 2001**.
